

OCEAN BLUE MIGHTY STEP

Meet the mightiest step of them all

Now with three stability bars it's even mightier!

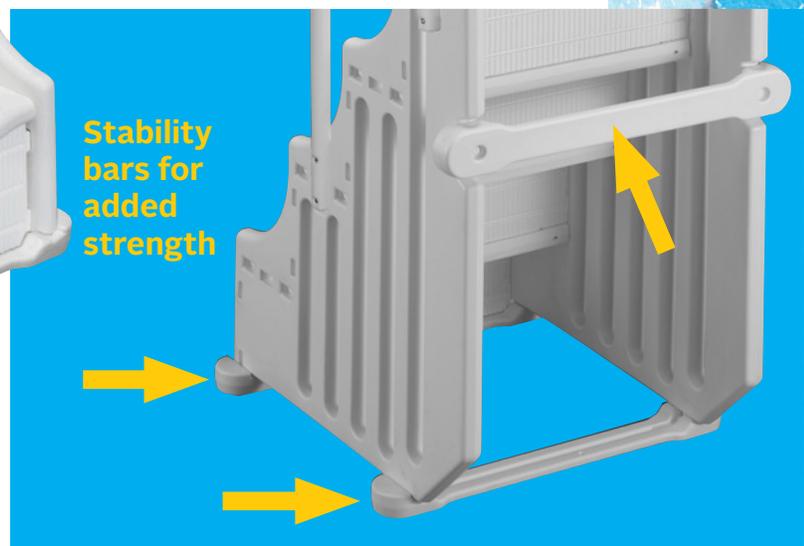

- Graceful designs with curved steps, scalloped sides and textured risers
- Simple snap together assembly with minimal parts
- Wide, flat steps with non-slip texture
- Mounting brackets that easily attach to your deck or pool
- Riser/side openings for unobstructed water circulation
- Two handrails for safety and stability while entering and exiting pool
- Fit pools 48" to 54" with flat bottoms
- Not for use with soft sided pools
- Require weight to prevent steps from floating
- Meet all current ANSI/APSP standards
- Full one-year warranty
- Perfect companion to our Outside Safety Ladder #400950
