

OUTDOOR FIREPLACES

HR HOMERUN
Quality of Life

BANGKOK

Stunning wood-burning fireplace that is both safe and attractive. The mesh spark screen covers 360°, so that all your guests can admire the flames. This square-shaped fire pit features sturdy black steel construction and a bottom integrated log grate that promotes airflow and flame quality. Simple and easy to assemble.

INCLUDED

Metal poker with wooden handle

Black 600 deniers weatherproof cover

COLOUR

Black

APOLLO

We propose our outdoor wood-burning chimney-style fire pit that is both safe and attractive. The screen mesh surround allows for a superb 360° view sure to be enjoyed by all. A part of the flue made of stainless steel offers a remarkable contrast against the black heavy-duty steel construction of the fireplace. It features a high-end removable bottom log grate which improves air circulation and flame quality. Simple and easy to assemble.

KHEOPS

This pyramid-shaped fireplace offers a different and attractive look. Unlike conventional outdoor fireplaces, its imposing size will not fail to impress your guests. With these four large mesh fronts, all your guests can admire the flames. One side opens completely to add logs easily. This pyramid fire pit features sturdy black steel construction and a high-end removable bottom log grate that promotes airflow and flame quality. Simple and easy to assemble.
